

HASHIT

Run No: 1690 (only 10 more runs till 1700)

Hare: Library

Where: Pugsley Ave

When: 21 January 2008

After the lovely rain on the weekend it was a slightly milder (temp wise) and fresher Wagga Wagga to which we convened for this week's run. There were a couple of new faces, and Mr Magoo and the Brute were actually on time for once, which shocked to shit out of the rest of us.

Off we went, some at a blistering pace, with others opting for a more relaxed one. Hooka proved yet again that just because you walk doesn't mean you won't use it, whilst Taxi handicapped with a sore knee resorted to walking with the rest of the "girls".

Thru the park and around Estella the trail led us with many dedicated hashers braving the uni barbed wire fence and going straight up the lookout to find on home. The rest of us slackers, not feeling in the mood, opted for a few more streets and then headed home for beer.

Back home we found that the Librarian had put on a lovely spread for us, which prompted KOK to exclaim that we had gone "Posh Hash" and that for his run he would go retro and serve up baked

beans. Only buy one can KOK because I don't think you will get many takers!

In Nowra's absence Denco put on his best Asst GM's hat, even volunteering to drink out of his beautiful shiny new shoes, before giving the virgins their well deserved down downs. The DHOTW went to Magoo for his lack of measuring skills leaving poor ol' Library alone for yet another week.
